Revenge Post Litigation -- Claims, Strategies, Remedies and Ethical Considerations (2153R)

This audio webcast will take the audience through a current litigation scenario in an actual so-called "revenge post" case that resulted in a libelous statement being removed from RipoffReport.com and Google. Mr. Bradley will analyze the facts, pre-litigation strategies, essential pleadings, settlement documents and post-settlement action. The essential pleadings will be provided, including non-confidential settlement agreements, stipulations and orders found to be sufficient to remove the libelous post from the internet. The audio webcast will include an analysis of the various legal claims available to the aggrieved party as well as the defenses to such a claim, including the Communications Decency Act. Ethical considerations will also be discussed.
