

To Our EASL Community:

Wow, what a year it has been! I am honored to have served as EASL Chair over the past year – from CLEs to networking events, and everything in between, it has been a pleasure to serve as an officer in this incredible organization. As I write this farewell, I am filled with bittersweet feelings of profound gratitude and touch of sadness; I will always look back on my time as Chair with fond memories as we have all come together as a community. It has been wonderful to witness the collective dedication and enthusiasm of our EASL members, and I am sure that I will continue to do so as I embrace my own membership – you have all been a source of inspiration not only in regards to EASL, but in your tenacity in the legal field and beyond.

This year, we have come together to accomplish a great deal through a focus on service, continued education, and professional growth. None of this would have been possible without you, our members, and your personal commitments. Thank you for your diverse perspectives, insightful discussions, and eagerness to be of service – I look forward to continuing to get to know many of our members.

Together, we have accomplished:

Numerous CLEs and 8 amazing networking events.

We partnered with the Miami Marlins, Orlando Magic, Women in Toys, BitBasel, and Fort Lauderdale International Film Festival to put on such amazing events this year.

Of course, change is inevitable, and while I will miss serving as Chair of EASL, I wholeheartedly welcome our new chair, Joey Coleman. Not only is he an accomplished member of our community, but he also embodies our mission at EASL and our dedication to service. His knowledge, perspectives, and passion will continue to drive EASL as he works together with the EASL officers and our entire community. Congratulations, Joey, and all of our new and returning officers – I know you will do great things!

While this marks the end of my tenure as chair, it does not mark the end of my time with EASL. I am excited to continue serving our community and playing an active role in our initiatives. Thank you to all of our members and officers for making my time as Chair such a fulfilling experience.
